In *Commanders in Chief: Epic Fails*, you'll learn about:

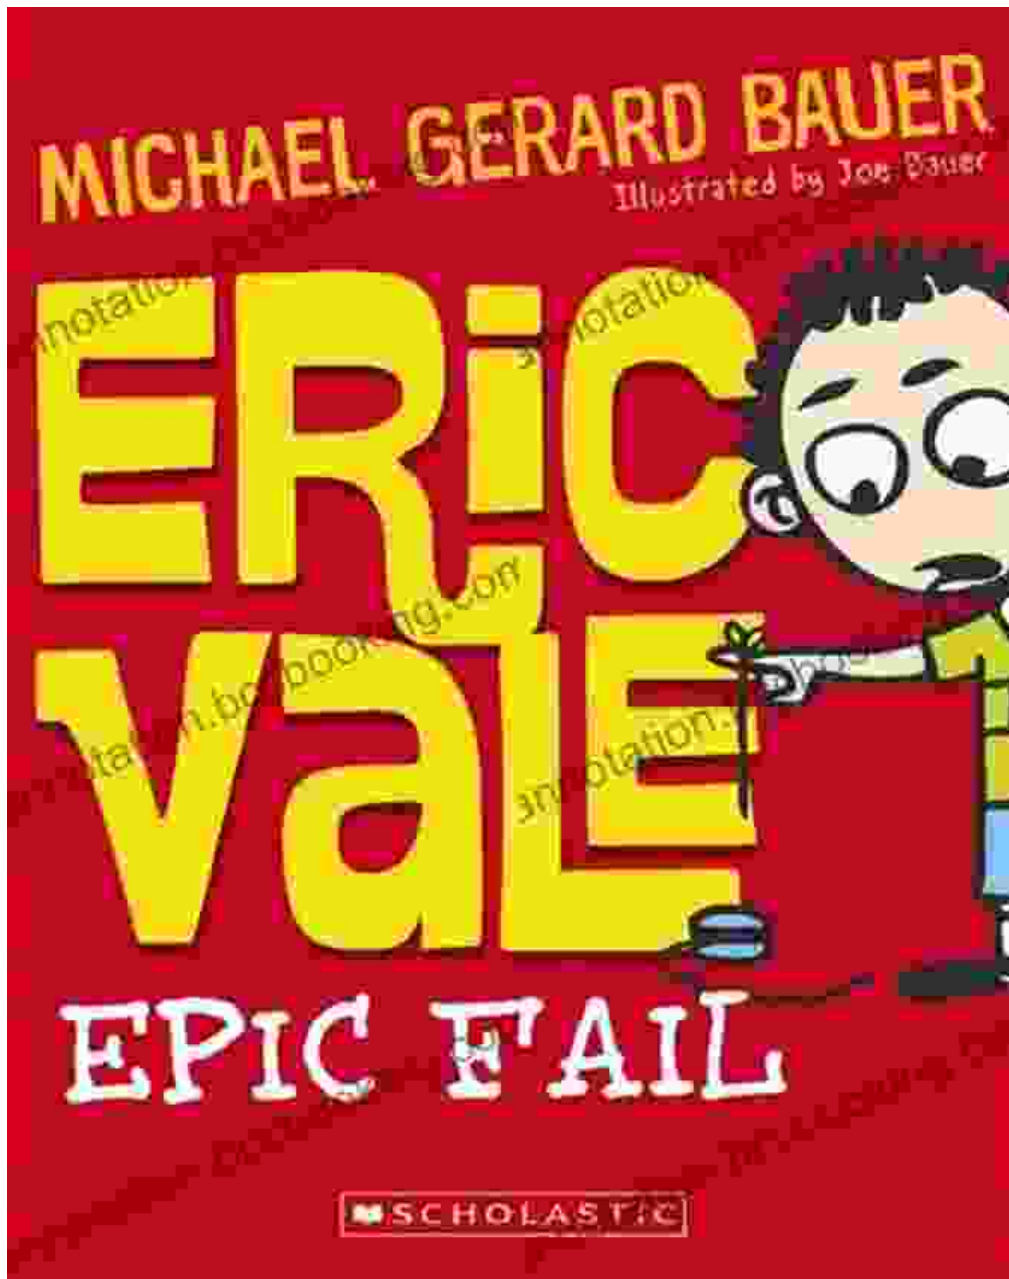

- The time George Washington led a ragtag army of militiamen into a bloody conflict with rebellious farmers over a tax on whiskey.

- The disastrous invasion of Canada during the War of 1812, which was so poorly planned that American soldiers were forced to retreat after just a few days.
- The Trail of Tears, which saw the forced removal of thousands of Native Americans from their ancestral lands.
- The Bay of Pigs invasion, which was a CIA-backed attempt to overthrow Fidel Castro that ended in disaster.
- The Vietnam War, which was a costly and bloody conflict that ended in defeat for the United States.
- The Iraq War, which was based on false intelligence and led to the deaths of thousands of American soldiers and Iraqi civilians.

Commanders in Chief: Epic Fails is a fascinating and informative look at the biggest presidential blunders in American history. It's a must-read for anyone interested in politics, history, or just plain old human folly.
