- EMT students
- Paramedic students
- EMT and paramedic instructors

- Healthcare professionals who need a refresher on EMT basics

This book is packed with information, but it's also easy to read and understand. The authors have a knack for explaining complex concepts in a clear and concise way. Plus, the book is full of helpful illustrations and diagrams that make learning even easier.

The online practice test is a great way to gauge your progress and identify areas where you need more study. The test is timed and scored, so you can see how you would perform on the actual exam.

EMT Crash Course, 2nd Edition is the most comprehensive and up-to-date EMT study guide on the market. With this book, you'll have everything you need to succeed on the EMT certification exam.

### **What's New in the 2nd Edition?**

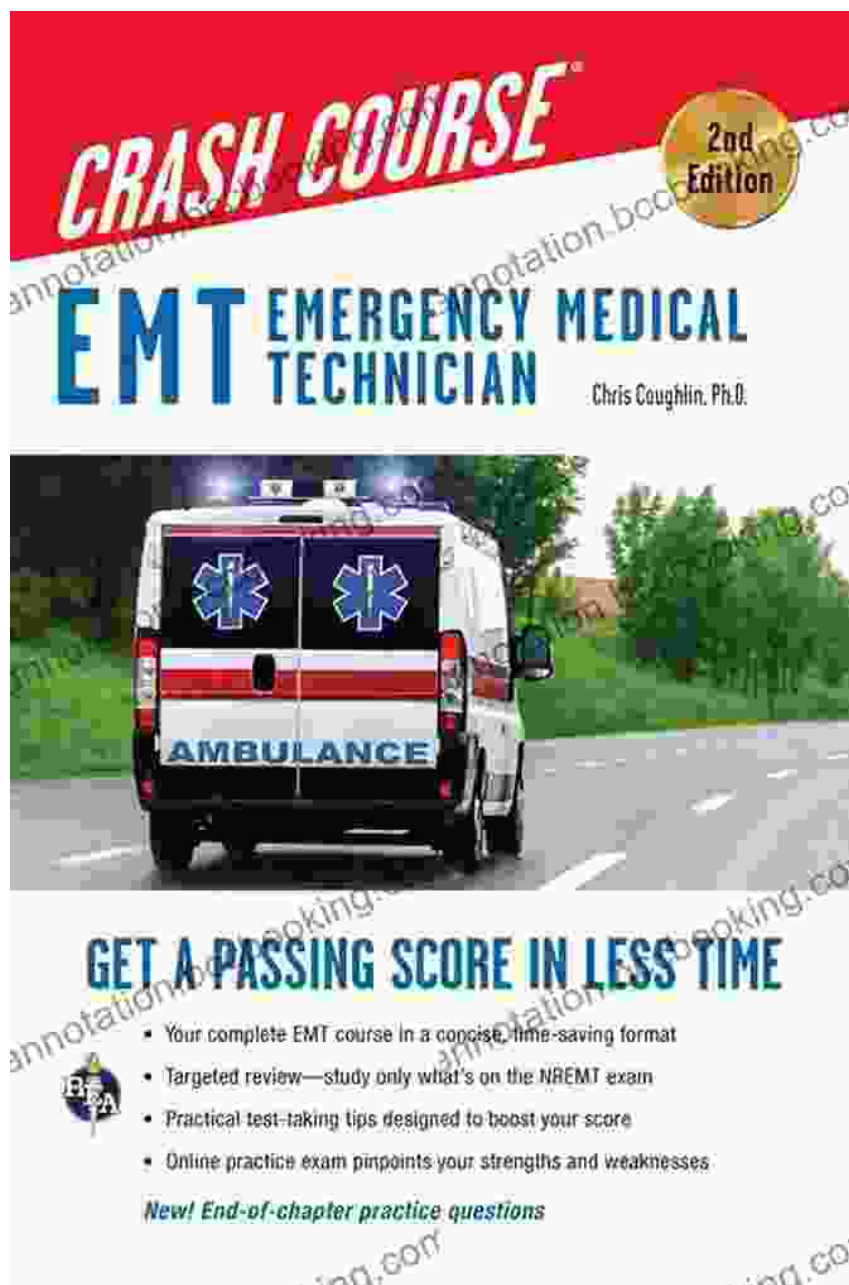

The 2nd edition of EMT Crash Course has been updated to reflect the latest changes to the EMT curriculum. This edition includes new content on:

- Opioid overdose
- Active shooter events
- Pediatric emergencies
- Geriatric emergencies

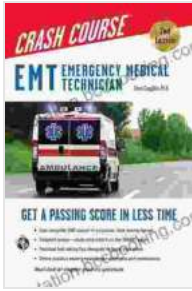

The 2nd edition also includes a new chapter on test-taking strategies. This chapter provides tips and advice on how to prepare for and take the EMT certification exam.
