Echo Park is the 12th novel in the Harry Bosch series by Michael Connelly. It was published in 2006 and follows Bosch as he investigates the murder of a 13-year-old girl in Echo Park, Los Angeles. The novel was a critical and commercial success, winning the Edgar Award for Best Novel in 2007.

A Complex and Intriguing Plot

Echo Park is a complex and intriguing crime novel that will keep you on the edge of your seat from beginning to end. Bosch is a deeply flawed character, but he is also a brilliant detective with a strong sense of justice. He is determined to find the killer of the young girl, even if it means putting himself in danger.

The novel is full of twists and turns, and Connelly does a great job of keeping the reader guessing until the very end. The characters are well-developed and believable, and the setting is vividly described. Echo Park is a must-read for fans of crime fiction.

Critical Acclaim

Echo Park has received widespread critical acclaim. The New York Times called it "a gripping crime novel that will keep you on the edge of your

seat." The Washington Post said that "Echo Park is Connelly's best work yet." And the Los Angeles Times called it "a masterpiece of crime fiction."

Awards

Echo Park has won numerous awards, including the Edgar Award for Best Novel in 2007. It was also nominated for the Anthony Award for Best Novel and the Macavity Award for Best Novel.
