Summer is the season of long, lazy days, warm breezes, and sparkling waters. It's a time to relax, recharge, and escape into the world of a good book. And what could be more perfect for a summer read than a novel that captures the essence of this magical season?

Gemma Milne's *Fisherman Summer* is a beautifully written novel that transports readers to a world of enchanting coastal beauty, love, and self-discovery. Set on the rugged Cornish coast, the novel follows the story of two friends, Nell and Nina, as they navigate the challenges of their last summer together before Nina leaves for university.

Nell is a young woman who has always felt drawn to the sea. She loves to swim, sail, and explore the coastline. But she also has a secret that she has been keeping from Nina: she is in love with Nina's boyfriend, fisherman Jack.

Nina is a bright and ambitious young woman who is excited about the future. But she is also struggling with the guilt of leaving Nell behind. She knows that Nell will miss her dearly, and she worries about how she will cope without her best friend.

As the summer unfolds, Nell and Nina find themselves drawn into a passionate love triangle. Nell must decide whether to pursue her feelings for Jack, even though it means hurting Nina. And Nina must decide whether she is willing to let Nell go and find happiness with someone else.

Fisherman Summer is a beautifully written novel that explores the complex emotions of love, friendship, and loss. Milne's characters are well-developed and relatable, and the setting is so vividly described that readers will feel like they are right there on the rugged Cornish coast.

The novel is also a celebration of the beauty of the natural world. Milne's descriptions of the sea, the cliffs, and the wildflowers are so evocative that readers will be able to smell the salt in the air and feel the sun on their skin.

Fisherman Summer is a must-read for anyone looking for an unforgettable summer read. It is a novel that will stay with you long after you finish it.

About the Author

Gemma Milne was born in London and raised in Cornwall. She worked as a journalist and editor before becoming a full-time writer. Her debut novel, *The Night Visitors*, was shortlisted for the Costa First Novel Award. *Fisherman Summer* is her second novel.

Reviews
