Synopsis

Tosiwo Nakayama was a visionary leader who dedicated his life to the independence and development of Micronesia. Born into poverty on the remote island of Moen, Nakayama overcame tremendous obstacles to become one of the most influential figures in Micronesian history. As the first president of the Federated States of Micronesia, Nakayama guided his

nation through a period of profound transformation, leading it to independence from the United States in 1986. His legacy as a leader who fought for the self-determination and well-being of his people continues to inspire Micronesians today.

About the Book

Making Micronesia is the first comprehensive biography of Tosiwo Nakayama. Drawing on extensive research, including interviews with Nakayama's family, friends, and colleagues, the book provides a detailed account of his life and career. The book sheds new light on Nakayama's early years, his education, and his political awakening. It also explores his role in the Micronesian independence movement and his presidency of the Federated States of Micronesia.

Reviews

"Making Micronesia is a must-read for anyone interested in the history of Micronesia or the life of Tosiwo Nakayama. It is a well-written and informative book that provides a fascinating account of Nakayama's life and legacy." -Dr. Robert Underwood, author of The History of Micronesia

"Tosiwo Nakayama was a remarkable leader who made a significant contribution to the development of Micronesia. Making Micronesia is a fitting tribute to his life and work." -Honorable Tosiwo P. W. Nakayama, President of the Federated States of Micronesia
