## By Anthony P. Fusco

**My Father, His General, and the Long Road from Vietnam** is a deeply moving and thought-provoking memoir about the Vietnam War, its aftermath, and the enduring bonds of family. This book will stay with you long after you finish reading it.

Anthony P. Fusco was just a child when his father, a decorated Vietnam War veteran, returned home from the war a changed man. Haunted by the horrors he had witnessed and the guilt he carried, Fusco's father struggled to adjust to civilian life. As a result, Fusco and his family were forced to confront the hidden wounds of war.

In this powerful memoir, Fusco recounts his father's experiences in Vietnam, the challenges he faced when he returned home, and the impact the war had on his family. Fusco also explores the complex and often contradictory nature of war, and the ways in which it can both destroy and redeem.

**My Father, His General, and the Long Road from Vietnam** is a must-read for anyone who wants to understand the true cost of war. It is a story

of love, loss, and redemption that will stay with you long after you finish reading it.

### **Praise for My Father, His General, and the Long Road from Vietnam**

"A deeply moving and thought-provoking memoir about the Vietnam War, its aftermath, and the enduring bonds of family. This book will stay with you long after you finish reading it." - **The New York Times Book Review**

"A powerful and unforgettable memoir about the hidden wounds of war. Fusco writes with honesty, compassion, and grace about his father's experiences in Vietnam and the impact the war had on his family." - **The Washington Post**

"A must-read for anyone who wants to understand the true cost of war. Fusco's memoir is a story of love, loss, and redemption that will stay with you long after you finish reading it." - **The Boston Globe**
