The Dead Evil Mercenary Corps is a legendary group of soldiers who have seen combat in some of the most dangerous war zones on the planet. Their experience and expertise have made them one of the most respected fighting forces in the world.

In their new book, *New Rules For Firefighters*, the Dead Evil Mercenary Corps shares their hard-earned wisdom on how to survive and win in combat. This comprehensive guide covers everything from basic tactics to advanced strategies, making it an essential read for anyone who wants to be successful on the battlefield.

What You'll Learn

- The basics of firefight tactics, including how to choose the right cover, move under fire, and return fire effectively.
- Advanced strategies for dealing with different types of threats, such as ambushes, urban warfare, and close-quarters combat.
- The importance of teamwork and communication in firefights.
- How to stay calm under pressure and make the right decisions in the heat of battle.

Why You Need This Book

If you're serious about winning in combat, then you need to read New Rules For Firefights. This book will give you the knowledge and skills you need to survive on the battlefield and achieve your mission.
