If you're questioning your gender identity or are transgender, non-binary, genderqueer, or gender fluid, this book is for you.

Rethinking Normal is a memoir of transition that offers a unique perspective on the challenges and joys of living in a body that doesn't match your gender identity. In this deeply personal and moving account, Adam Eli shares his experiences with:

- Coming to terms with his gender identity
- Telling his family and friends that he is transgender
- Starting hormone therapy and undergoing gender confirmation surgery
- Finding love and acceptance in a world that can be hostile to transgender people

Rethinking Normal is a powerful and inspiring story of resilience and self-discovery. Adam Eli's journey will resonate with anyone who has ever felt different or misunderstood. His book is a must-read for anyone who wants to learn more about transgender experiences.
