Volume 2: 1798-1848

The House of Rothschild: Volume 2 (Money Prophets, 1798-1848) is the second installment in a groundbreaking series of books that chronicles the rise and influence of the Rothschild family, one of the most powerful and enigmatic families in history.

This meticulously researched book provides a comprehensive account of the Rothschild family's activities during the first half of the 19th century, a period of immense economic and political change. The book begins with the family's humble origins in the Jewish ghetto of Frankfurt, Germany, and follows their rise to prominence as international bankers and financiers. The Rothschilds played a major role in financing the Napoleonic Wars, and they also played a key role in the development of the global economy. The

book provides a detailed account of the family's financial dealings, as well as their political and social influence.

The House of Rothschild: Volume 2 (Money Prophets, 1798-1848) is a must-read for anyone interested in the history of finance, banking, and the Rothschild family. This book is a valuable resource for scholars, students, and general readers alike.
