In a time when technology dominates our lives and screen time replaces meaningful experiences, it's more important than ever to embrace our wild side and nurture the creativity and curiosity within our children.

'How to Raise a Wild Child' is a definitive guide that will show you how to:

- Foster a love of nature and the outdoors
- Encourage creativity and imagination
- Support your child's unique learning style
- Nurture resilience and independence
- Provide a holistic and balanced upbringing

Drawing on decades of research and experience, this book is packed with practical advice, inspiring stories, and thought-provoking insights that will empower you to raise a child who is:

- Passionate about the natural world
- Filled with wonder and curiosity

- Confident and self-reliant
- Creative and imaginative
- Physically and emotionally healthy

With chapters on everything from nature-based learning to child-led play, this book will help you create a childhood that is both unforgettable and transformative. Whether you're a first-time parent, a seasoned educator, or simply someone who believes in the power of a wild and creative upbringing, this book is for you.

What People Are Saying

“A must-read for parents who want to raise children who are happy, healthy, and connected to the natural world.” - Richard Louv, author of 'Last Child in the Woods'”

“This book is a treasure trove of practical advice and inspiring stories that will help you raise a child who is full of life, love, and learning.” - John Holt, author of 'How Children Fail'”

“A groundbreaking guide that will change the way we think about raising children.” - Alfie Kohn, author of 'Punished by Rewards'”
