Lost Orca Currents

By John Wilson

Genre: Middle-grade adventure, marine life fiction

Ages: 8-12

Publisher: Orca Book Publishers

Publication Date: March 7, 2023

In the vast and mysterious depths of the Pacific Ocean, a young girl named Coral embarks on an extraordinary adventure that will forever change her life. When she encounters an orphaned orca calf, she forms an unbreakable bond with the majestic creature, giving him the name Zephyr.

Together, Coral and Zephyr navigate the challenges of the ocean, facing fierce storms, playful dolphins, and curious sea turtles. Along the way, they learn about the importance of family, friendship, and the delicate balance of the marine ecosystem.

But their journey is not without its dangers. As they venture deeper into the ocean, they encounter a sinister force that threatens their newfound bond. Coral must summon all her courage and determination to protect Zephyr and the fragile world they inhabit.

"Lost Orca Currents" is a captivating tale that celebrates the wonders of the natural world and the power of human connection. It is a story that will resonate with readers of all ages, reminding us of the beauty and fragility of our planet and the importance of protecting its inhabitants.
