## **Tips for Creating a Wedding Photo List**

- Start by thinking about the most important moments of your wedding day
- Consider what kind of photos you want to look back on and cherish
- Talk to your photographer about your ideas
- Create a shot list that includes all of the photos you want
- Be flexible on the day of your wedding, as things may not go exactly as planned

By following these tips, you can create a wedding photo list that will ensure you capture all of the precious moments of your special day. So sit down

with your photographer and start planning today!
